**Attention Registered Nurses and Licensed
Social Workers/Therapists!**

Ever wonder how to better care for and empathize with your patients or clients who are considering the **ADOPTION OPTION**? Then this two hour seminar is for you!

Topics to be discussed are:

- Appropriate adoption language
- HIPAA Compliance with Adoption
- History and the current practice of adoption
- Different types of adoption
- Birth parents' rights
- Safe Surrender vs. Adoption
- Adoption in the hospital setting

We can set up a training at your office or at ours? Let us know what works for you and
